Update to Prescription Care Solution

When health incidents occur, prescriptions are often a necessary part of treatment and can be costly. CHM's Prescription Care Solution (PCS) provides members with resources to compare prices and make informed choices, helping reduce out-of-pocket costs.

Members have access to tools that can help identify the lowest available prices in their area and compare brand-name versus generic medications:

I. Christian Healthcare Ministries

A. The heart of the ministry

Christian Healthcare Ministries (CHM) has empowered Christians to work together to share the burden of medical expenses since 1981. Together, Christians have shared billions of dollars for medical bills while also keeping participation costs low. This efficient and effective means of health cost sharing allows members to focus on getting and staying well, and through it all, to have complete confidence that their medical bills will be satisfied based on their selected program and the CHM Guidelines.

The ministry's concept originated 2,000 years ago with the early Church, who held all things in common and followed the Apostles as they prioritized meeting the needs of the poor, the oppressed, and their Christian family. Jesus told His followers that the world would know they were His disciples by the way they loved one another [John 13:35, ESV]. CHM members are an extension of that testimony as they carry one another's burdens.

Healthcare expenses can be among the most devastating costs known to families. Every year, thousands of individuals face financial ruin because of a major illness or accident. It doesn't have to be this way.

CHM members remove that burden by carrying the load for their brothers and sisters in Christ. Reflecting the scriptural values outlined in Acts 2 and 4 and in Galatians 6:2, **the mission of CHM is to glorify God, show Christian love, and experience God's presence as Christians share each other's medical bills.**

B. How health cost sharing works

Based on New Testament principles, CHM helps Christian families, churches, and ministries join together as the Body of Christ to share healthcare costs such as medical tests, maternity, hospitalization, and surgery. The ministry serves hundreds of thousands of members in all 50 states and internationally.

CHM is a nonprofit health cost sharing ministry, not insurance. Participation is an expression of Christian faith—it's voluntary and doesn't require a contract. Instead, CHM members join the ministry as part of a biblical covenant through which each party desires to help the other.

CHM—a Demotech and Better Business Bureau accredited charity—has a definable, accountable, and faithful framework. An independent Board of Directors governs CHM and controls its functions. CHM is a federally certified exemption to the individual mandate under the U.S. Affordable Care Act, and as such, is an eligible option for individuals and families under the national healthcare law.

How cost sharing works

1

Choose your provider

You have the freedom to choose quality care, often being eligible for self-pay discounts—no network required!

2

Submit eligible bills

Answer a few simple questions on the Member Portal and upload medical bills.

Medical bills and forms can also be sent via mail or fax.

3

Receive reimbursement

Your CHM family shares eligible medical expenses after Personal Responsibility and Qualifying Amounts are met.

Christians of all ages and health histories are welcome to join the ministry. Membership is open year-round, with no waiting period, meaning it can become effective immediately. After reviewing the Guidelines, CHM members can select the medical doctors or hospitals they prefer; they aren't bound by an approved healthcare provider list, and treatment decisions are made between patient and physician.

CHM combines monthly membership contributions from Christians across the country and around the world, enabling ministry members to share medical bills sent in by their fellow members who have received medical treatment. CHM members share 100 percent of eligible medical bills—that is, bills that are eligible under the CHM Guidelines. CHM staff follow the CHM Guidelines because they serve to protect each ministry member and enable the Body of Christ to continue to serve one another through the sharing of medical bills.

As monthly contributions flow through the ministry to bless fellow believers, members are strongly encouraged to lift each other up in prayer. Each month's billing statement includes a prayer request from a CHM member or family. Prayers Unceasing provides members with an opportunity to send cards of encouragement and serves as a reminder to pray for the specific needs of others [James 5:13].

The faithfulness of CHM members has enabled CHM to encourage believers and share eligible medical bills since 1981. Our ministry model sets us apart. CHM members and staff pray with you and serve you—as Christians serving Christians.

C. Statements of Beliefs

1. STATEMENT OF FAITH

- a. We believe the Holy Bible to be the only inspired, trustworthy and true, without error Word of God [2 Timothy 3:16-17].
- b. We believe there is only one God who eternally exists in three persons: Father, Son, and Holy Spirit [Matthew 28:19].
- c. We believe Jesus Christ is God, in His virgin birth, in His sinless life, in His miracles, in His death that paid for our sin through His shed blood, in His bodily resurrection, in His ascension/rising up to the right hand of the Father, and in His personal return in power and glory [John 1:1; Matthew 1:18,25; Hebrews 4:15; Hebrews 9:15-22; 1 Corinthians 15:1-8; Acts 1:9-11; Hebrews 9:27-28].
- d. We believe that acceptance of Jesus Christ and the corresponding renewal of the Holy Spirit are the only paths to salvation for lost/sinful men and women [John 3:16; John 5:24; Titus 3:3-7].
- e. We believe in the present ministry of the Holy Spirit, who lives within and guides Christians so they are enabled to live godly lives [John 14:15-26; John 16:5-16; Ephesians 1:13-14].
- f. We believe in eternal life, and that through belief in Jesus Christ as the Son of God, we spend eternity with the Lord in Heaven. We believe that in rejecting Jesus Christ as Lord and Savior, we receive eternal suffering in hell [Matthew 25:31-46; 1 Thessalonians 4:13-18].
- g. We believe in the spiritual unity of believers in our Lord Jesus Christ, that all believers are members of His body, the Church [Philippians 2:1-4].
- h. We believe God's design for sexual intimacy is to be expressed only within the context of marriage. God instituted marriage between one man and one woman as the foundation of the family and the basic structure of human society. For this reason, we believe that marriage is exclusively the union of one man and one woman [Genesis 2:24; Matthew 19:5-6; Mark 10:6-9; Romans 1:26-27; 1 Corinthians 6:9].
- i. We believe that God created all human beings in His image. Therefore, we believe that human life is sacred from conception to its natural end; that we must honor the physical and spiritual needs of all people; following Christ's example, we believe that every person should be treated with love, dignity, and respect [Psalm 139:13; Isaiah 49:1; Jeremiah 1:5; Matthew 22:37-39; Romans 12:20-21; Galatians 6:10].

2. DOCTRINAL DISPUTES

If a dispute arises with regard to the doctrine and teachings of the Holy Bible, the Board of Directors is the organization's final interpreter of said doctrine and teachings, but any such interpretation shall not differ in any respect from this Constitution.

3. STATEMENT OF GENDER AND SEXUALITY

- a. We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God [Genesis 1:26-27]. We believe that rejection of one's biological sex is a rejection of the image of God within that person.
- b. We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God [Matthew 15:18-20; 1 Corinthians 6:9-10].
- c. We believe that in order to preserve the function and integrity of Christian Healthcare Ministries as a health cost sharing ministry and to provide a biblical role model to the staff and membership of Christian Healthcare Ministries, it's imperative that all persons employed by Christian Healthcare Ministries in any capacity, or those who are members of Christian Healthcare Ministries, or who serve as volunteers, agree to and abide by this Statement on Gender and Sexuality [Matthew 5:16; Philippians 2:14-16; 1 Thessalonians 5:22].
- d. We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ [Acts 3:19-21; Romans 10:9-10; 1 Corinthians 6:9-11].
- e. We believe that every person must be afforded compassion, love, kindness, respect, and dignity [Mark 12:28-31; Luke 6:31]. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Christian Healthcare Ministries.

For more information on submitting bills to CHM, see section VIII of the Guidelines or visit CHMinistries.org/stepbystep.

A. Membership qualifications

Christians of any age or health history are welcome to join the ministry. Membership requirements for CHM—a body of believers who agree to share each other’s healthcare expenses—are straightforward.

2. CONTACT INFORMATION

To participate, individuals must provide a U.S. mailing address. We encourage members to provide an email address for the quickest updates and communications from CHM. Please note that CHM cannot send funds outside of the U.S. For further details, refer to Guidelines II.A.3 and V.B.6.

3. MEMBERS SERVING OUTSIDE THE U.S.

International missionaries and members serving abroad are welcome to participate in the ministry. However, please note the following requirements:

- a. Correspondence:** CHM cannot send any correspondence outside the U.S. If you don’t have a U.S. mailing address, please designate a relative, friend, or financial and medical power of attorney to receive CHM funds on your behalf.

- b. Medical bills:** Members must translate medical bills into English and convert foreign currency to U.S. dollars.
- c. Additional information:** For additional information about medical bills incurred outside of the U.S., refer to Guideline V.B.6. For special considerations for members 65 and older, see Guideline III.G.

4. ADOPTED CHILDREN

Upon the adoption or the assumption of legal custody of a child by a CHM member, that child can be included in the CHM membership.

The following criteria will apply to the sharing of medical bills for adopted children:

a. All adopted children

- 1) Other funding sources:** Before CHM shares medical bills, all sources responsible, willing, or available to pay the adopted child's medical bills must be exhausted.
- 2) Birth defects or congenital conditions:** For conditions diagnosed after adoption, please review Guideline V.B.2.
- 3) Children with disabilities:** We strongly advise prospective parents to make sure they fully understand the CHM Guidelines for pre-existing conditions before adopting one or more children with pre-existing illnesses or disabilities. Refer to Section IV for detailed information on pre-existing conditions.

b. Babies adopted at birth

- 1) Birth and delivery costs:** Medical bills for the birth and/or delivery of an adopted child are not eligible for sharing.
- 2) Membership start date**
 - i.** If there is a parent participating in CHM at the time of adoption, you must call CHM within 30 days of the baby's birth to start the baby's membership from the birth date.
 - ii.** If the baby is not added within 30 days of birth, the baby's participation starts from the day the baby is added to the membership.
 - iii.** If no parent participates in CHM at the time of birth, the baby's start date aligns with the new membership start date and cannot be backdated to the date of birth.

What is a unit?

A unit is defined as the participating individual(s) within a membership. Below are examples of how units work. Each unit may participate in a different program.

1 UNIT

One individual

2 UNITS

Husband and wife

OR

One adult plus dependent child(ren)

OR

Two or more children without a parent on the membership

3 UNITS

Husband, wife, and dependent child(ren)

5. MEMBERS AGE 65 AND OLDER

For detailed information on how CHM shares medical bills for Medicare-age members (those 65 and older) and early Medicare participants, please refer to Guideline III.G. Members must be enrolled in Medicare Parts A and B or a Medicare Advantage Plan to receive full sharing support.

6. GROUP MEMBERSHIPS

CHM offers group membership options designed to support Christian ministries, churches, and nonprofit organizations of varying sizes in providing a cost-effective, faith-based healthcare solution for their staff. All individuals enrolled under a group must meet CHM's general membership requirements as outlined in Guideline II.A.

Organizations may find that a properly structured CHM group membership helps meet certain provisions of the Patient Protection and Affordable Care Act (PPACA). However, to ensure compliance and avoid potential tax penalties, each group is responsible for working with a qualified attorney or tax advisor who is well-versed in the ACA's legal and financial considerations. CHM can offer referrals to independent professionals who are familiar with these requirements.

Due to the regulatory and structural requirements of the ACA, CHM group memberships are not generally suitable for for-profit entities seeking a compliant group healthcare solution.

Additional information about CHM's group membership options is available at CHMinistries.org/programs.

B. Understanding membership units

CHM uses a unit system; a unit is defined as a participating individual(s) within a membership.

1. INDIVIDUAL MEMBERSHIP

A membership may consist of one individual.

2. FAMILY MEMBERSHIP

a. Eligible participants: An individual, their spouse, and any dependent children can be part of the same membership.

b. Membership units

- 1) A family membership has a maximum of three units.
- 2) Dependent children are grouped as a single unit if a parent or legal guardian is actively participating in the membership.
- 3) Parents must contact CHM within 30 days of a child's birth to add a newborn to their membership as of their date of birth.
 - i. If the new child is added as a dependent unit when one does not already exist, the total membership contribution will increase based on the program chosen for that unit.
 - ii. If the membership already has a dependent unit, parents must still call within 30 days to add the child, but there will be no additional charge.
- 4) If no parent or legal guardian is participating on the membership, two or more children must be counted as two separate units.

c. Program participation

- 1) Individual units within the same membership can participate in different programs.
- 2) For more information on CHM programs, refer to Guideline III.B.

3. ADULT CHILDREN

a. Eligibility criteria for adult children on parent's membership: Adult children may remain on their parent's membership if they meet the following criteria:

1) Personal testimony and biblical principles

- i. They must be Christians living by biblical principles. For more information, see Guideline II.A.1.
- ii. They must embrace the CHM Statements of Beliefs.

2) Marital status: They must be unmarried.

3) Dependent status: They must be considered a dependent, defined as

- i. Under age 18 at the end of the year, **-or-**
- ii. Under age 26 and a full-time student for at least five months of the year, **-or-**
- iii. Disabled

4) Annual Dependent Form requirement

- i. A signed CHM Dependent Form must be submitted annually for each dependent child aged 18-25.
- ii. CHM will issue the form prior to the child's 18th birthday and on each birthday thereafter.
- iii. Failure to return the completed form will result in the termination of the dependent child's membership.
- iv. Adult children must provide consent for their parent(s) to access information related to their medical care and bills. This consent is included in the Dependent Form and must be renewed annually.

b. Transition to individual membership

1) Membership gap: To avoid a gap in membership, children who are no longer considered dependent must begin their own membership before being removed from their parent's membership.

2) The adult child must:

- i. Complete and submit the Member Enrollment Form online at join.CHMinistries.org.
- ii. Review and acknowledge the Checklist of Understanding as part of the enrollment process.

c. Importance of continuous membership: Immediate transition to an individual membership provides continuous participation without a gap, which is important for addressing pre-existing conditions. Refer to Guideline IV for detailed information about pre-existing conditions.

C. Member enrollment

When considering CHM membership, it's important to understand the ministry and how it operates. Prospective members should read the Guidelines thoroughly and understand CHM's Statements of Beliefs (Guideline I.C) before joining.

1. WHEN TO JOIN

Membership can begin any time throughout the year.

2. HOW TO JOIN

Complete and submit the CHM Member Enrollment Form—including the Checklist of Understanding—in one of the following ways:

WHAT IS THE CHECKLIST OF UNDERSTANDING?

Many U.S. states legally require completion of this document in order for CHM to share members' medical bills. It confirms that members fully understand that CHM is a group of Christians who voluntarily assist each other with medical costs in accordance with the CHM Guidelines. It verifies that CHM members know that CHM is a health cost sharing ministry, not insurance, and carries out the command of Galatians 6:2 by helping Christians to meet one another's medical costs.

b. Member Contribution Form: CHM's monthly billing statement with a letter from ministry leadership detailing important ministry highlights. Details include:

- 1) Program contribution amounts, account balance, and due date
- 2) Member prayer requests through Prayers Unceasing

Members can sign up for eBilling through the Member Portal or by contacting CHM at 800-791-6225.

Maryland exception: *To remain in compliance with state laws, CHM membership for Maryland residents is member-to-member. As such, Maryland members cannot make payments through the Member Portal. Please visit CHMinistries.org/news/chm-membership-for-maryland-residents or contact CHM at 800-791-6225 for more information about Maryland membership.*

c. Heartfelt Magazine: CHM's monthly publication in which members can find ministry updates, testimonials, health information, and more. An online version is available at CHMinistries.org/members.

4. USING THE MEMBER PORTAL

The CHM Member Portal is a vital tool for members to securely manage their membership, make payments, update personal information, and submit medical bills for sharing.

- a. Activation:** Members can activate their portal accounts after signing up.
- b. Registration requirements:** Registration requires the six-digit CHM member number they receive after signing up.
- c. Further assistance:** Members may contact CHM at 800-791-6225 for further assistance.

D. Refer-a-Friend

Christian Healthcare Ministries encourages members to share the blessings of biblical health cost sharing through Refer-a-Friend. When you invite Christian friends, family, and neighbors to join CHM, you help strengthen the ministry and extend its mission of spiritual and financial support in times of medical need. For each eligible referral who joins CHM, you receive a reward credit as a thank-you for spreading the word.

Prayers Unceasing:
A unique way to
spiritually uplift
your brothers and
sisters in Christ

Through Prayers Unceasing, you can encourage CHM members by lifting them up in prayer and sending them cards, letters, or emails of encouragement. Each month in the Member Contribution Form, members will receive a name and contact information of someone who has requested prayer. It's an opportunity to put your faith into action.

Three reasons why CHM helps everybody:

1. HEART: Something that sets CHM apart is the love that members have for each other, as evidenced by the encouraging cards, letters, and emails sent across the country by members to others who are going through difficult times.

1. ELIGIBILITY AND PARTICIPATION

- a. Any active CHM member may participate by referring individuals to CHM using the phone number registered in their Member Portal.
- b. The referred individual must provide the referring member's phone number at the time of enrollment. Only one referral source may be listed.
- c. The following situations are not eligible for reward credits:
 - 1) A spouse who starts their own CHM membership.
 - 2) An adult child who transitions to their own membership after previously being part of a parent's membership.
 - 3) A new unit (such as a spouse or dependent) being added to an existing CHM membership.

2. REWARD CREDITS

- a. A \$200 reward credit will be awarded to the active referring member's account on the referred member's CHM start date.
- b. Reward credits are awarded per membership, regardless of the number of units participating on the new membership.
- c. This credit may be applied to:
 - 1) The referring member's monthly membership contribution amount, or
 - 2) Annual Personal Responsibility when an eligible medical incident is submitted. This includes the Personal Responsibility of any unit actively participating on the referring member's membership.
- d. Credits may only be used for membership contributions or Personal Responsibility. They cannot be substituted, donated, sold, or redeemed for cash.
- e. Reward credits are forfeited if the referring member's membership is terminated for any reason.

3. WELCOME CREDITS FOR REFERRED MEMBERS

- a. Referred members who join through Refer-a-Friend will receive a 50% welcome credit applied to one month of CHM membership.
- b. The referring phone number provided must match an active CHM member not within the same membership (i.e., not a spouse or participating dependent).

2. HANDS: As Christians, we are called to be the hands of Jesus! One way to do that is by supporting your brothers and sisters in Christ through their medical difficulties.

3. FEET: "...beautiful are the feet of those who preach the good news" [Rom. 10:15]. CHM enables Christian individuals, families, ministries, and missionaries to not worry about their healthcare. Instead, they focus on the life God has called them to live.

4. GROUP MEMBERSHIPS

- a. When a referral is made by a member of a group, the reward credit is awarded to the group organization. The group will determine how the credit is applied—whether it is passed on to the individual member who made the referral or retained for group use.
- b. Welcome credits do not apply to group members.

5. MEMBER DASHBOARD

The **Refer-a-Friend dashboard**, available in the Member Portal, allows members to view earned credits and access referral resources.

6. ADDITIONAL INFORMATION

State-specific mandates may apply. For the most up-to-date program information and eligibility details, visit the How It Works section on the Refer-a-Friend webpage at: CHMinistries.org/refer-a-friend.

E. Member responsibilities

CHM is dedicated to serving members and fostering a covenant relationship. Members depend on the ministry to act faithfully and responsibly, while CHM relies on members to fulfill their membership responsibilities as well as pray for CHM members and the ministry. By becoming a CHM member, you agree to the following expectations:

- 1. Read and understand the Guidelines.**
- 2. Stay current on monthly financial contributions.**
- 3. Read CHM communications pieces for ministry information and updates:** Such items include the Member Contribution Form (both the billing statement and the accompanying letter), *Heartfelt* Magazine/eMag, transactional emails, portal notifications, and special mailings. Visit CHMinistries.org for additional information.
- 4. Have a completed Checklist of Understanding (COU) on file.** Eligible medical bills cannot be shared without a signed COU. In most cases, the COU was included as part of the enrollment form when joining CHM or can be completed on the Member Portal.
- 5. Submit itemized medical bills within six months of the date services were provided.**
- 6. Complete and return all requested documents.**
- 7. Submit medical records when a request is made for the purpose of verifying eligibility.**

- 8. Report healthcare provider discounts or financial assistance as they are secured.**
- 9. Use CHM reimbursement checks to pay the specific medical bills for which the reimbursement was issued. Payment to providers must be made in full within 30 days of receiving reimbursement.**
- 10. Respect the privacy of fellow members:** Prayer requests should not be shared outside the ministry and soliciting of any kind is not permitted.
- 11. Contact CHM with membership and eligibility questions as they arise.**
- 12. Avoid any fraudulent activities:** If a person engages in one or more of the following actions, that person may be deemed to have committed fraud against this ministry:
 - a. Forgery or unauthorized material alteration** of any document used in applying for membership or in the submission of a medical bill for sharing.
 - b. The material misrepresentation to CHM, or the making of false statements to CHM, concerning:**
 - 1) Any person's medical condition at the time of CHM enrollment.
 - 2) The circumstances of an incident, or the deliberate submission of a false need for sharing.
 - c. Offering of anything of material value to one or more ministry employees** in exchange for special consideration in the processing of membership enrollment, the submission of medical bills for sharing, or the return of funds due back to the ministry.
 - d. Forgery, alteration, or improper negotiation** of one or more of the ministry's checks, or the conversion of ministry funds intended for a medical provider to a person's personal use.
 - e. Improper use of bank account information, routing numbers, or similar information** connected with another member for a person's own financial gain. While this is a remote and unlikely possibility for most CHM members, the ministry cannot permit individuals who might attempt this kind of identity theft to remain as members.

If CHM deems a person to have engaged in fraud against this ministry, that person's membership may be immediately canceled without notice to that person at CHM's discretion.

F. When to contact CHM

G. Deceased members

If you're navigating the loss of a family member, we want you to know that CHM is lifting you up in prayer. To assist you in the sharing process for eligible bills, please follow these guidelines:

1. **Contacting CHM:** The person contacting CHM on behalf of the deceased member must be an authorized person on the membership, the executor, or the administrator of the estate.
2. **Executor documentation:** CHM requires a Letter of Appointment of Executor to verify authority to act on behalf of the deceased member.
 - a. Include the executor's address.
 - b. Power of Attorney (POA) or Living Will documentation is not an acceptable substitute.
3. **Death certificate:** Please submit an official copy of the deceased member's death certificate.
4. **Membership status:** Make sure the monthly contribution for the membership unit is paid through the end of the month in which the member passed so that we can share eligible medical bills.

We are here to support you through this process and make it as smooth as possible.

H. Membership cancellation

We understand that life circumstances can change, and members may need to cancel their membership for various reasons. If this need arises, please note the following details:

- 1. Continuous membership requirement:** Eligible medical costs cannot be shared unless the membership is continuous and current with all financial contributions through the entire sharing process.
- 2. Ineligible bills after cancellation:** Upon cancellation, medical bills previously incurred but not yet submitted or shared will not be eligible for reimbursement.
- 3. 30-day notice:** CHM requires a 30-day notice from members who plan to change their program, number of units, discontinue participation, or otherwise alter their membership status.
- 4. No refunds:** A refund cannot be issued for the month of cancellation or any previous months.
- 5. Delinquent memberships:** If a membership is three or more months delinquent, CHM considers that delinquency as the member's choice to no longer participate in this ministry. Members will receive verification of their cancellation, and the membership will be canceled as of the last day of the last month in which their full contribution amount was submitted.
- 6. Sharing ceases:** If a membership is delinquently dropped or terminated by CHM for any reason, medical bills will not be eligible for sharing.
- 7. Rejoining after cancellation:** Members seeking to rejoin CHM after cancellation will receive a new start date, and any medical conditions as of that start date will be considered pre-existing and may be ineligible for sharing. See Section IV for detailed information about pre-existing conditions.

III. Program participation

A. Key CHM terminology

This section defines several important terms that appear throughout the Guidelines. Understanding these terms is critical to navigating CHM's programs, sharing processes, and overall membership.

1. LIFETIME OF MEMBERSHIP

The lifetime of a membership refers to the entire period a member participates in CHM, including any gaps in active membership. If a membership is canceled—whether by the member or by CHM—and later restarted, all prior participation is part of the membership history.

2. ILLNESS

a. Definition: A diagnosis of a disease, injury, or medical condition that has been identified and can be treated once or multiple times.

b. Sharing support

1) **Standard:** The maximum sharing support is \$125,000 per illness.

2) **Extended:** With CHM Plus participation, sharing support increases up to \$1 million or more per illness, based on the member's program participation (Guideline III.E).

3. INCIDENT

a. Definition of an incident: An incident is a specific time period during which a particular medical condition, including any associated signs, symptoms, testing, diagnosis, or treatment, is being addressed. The same illness can involve multiple incidents.

b. When an incident must end: An incident continues until one of the following occurs:

1) **90-day gap:** There is a 90-day period without any eligible testing or treatment for the condition.

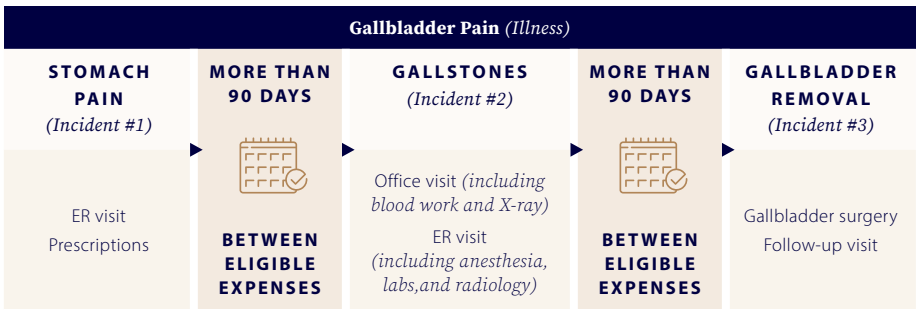

2) **Resolution:** The medical condition no longer requires treatment, as verified by official medical records.

3) **12-month span:** No incident may continue beyond 12 months from its first eligible date of service.

c. New, separate incidents: When an incident ends due to a 90-day gap in eligible care or the 12-month duration, any future bills for that condition will be treated as a new, separate incident. The member must meet the Qualifying Amount again, and the unit's annual Personal Responsibility may be applied if it has not already been satisfied for the calendar year.

1) For details on incident qualification, refer to Guideline III.C.

2) For annual Personal Responsibility, see Guideline III.D.

The member must meet a separate Qualifying Amount for each incident according to selected program.

B. Understanding programs

Before joining CHM, it's important to review and understand how the membership programs differ. Members who add CHM Plus to their program participation will have extended support for eligible healthcare costs. For more details about CHM Plus participation, please refer to Guideline III.E.

1. AVAILABLE PARTICIPATION PROGRAMS

CHM offers four programs of participation:

- a. **CHM Gold:** Available to members under age 65.
- b. **CHM Silver:** Available to members under age 65.
- c. **CHM Bronze:** Available to members under age 65.
- d. **CHM SeniorShare™**
 - 1) Available to members aged 65 and older, and early Medicare participants with Medicare parts A and B or a Medicare Advantage Plan.
 - 2) Participation without enrollment in Medicare Parts A and B or a Medicare Advantage Plan will limit the sharing of medical bills to 20% of the eligible amount.
 - 3) For details about submitting bills as part of the CHM SeniorShare™ program, refer to Guideline III.G.

2. HEALTH COST PROVISION

- a. **Eligible services per program:** All CHM members can submit the same types of medical expenses for sharing, regardless of their program participation.
- b. **Program comparison**
 - 1) **Program updates:** While the ministry notifies members within a reasonable timeframe prior to necessary changes taking place, members can visit [CHMinistries.org/members](#) for current ministry information and program updates.
 - 2) **Comparison chart:** Review the following chart to compare the advantages of each program.

CHM program features	CHM GOLD	CHM SILVER	CHM BRONZE	CHM SENIORSHARE™
Program contribution amounts per unit	<i>Please visit CHMinistries.org/programs for current costs.</i>			
Qualifying Amount, per incident	\$1,250	\$3,000	\$6,000	\$500 (Applied once per calendar year)
Personal Responsibility, per unit, per year	\$1,250	\$3,000	\$6,000	N/A
Maternity Per-pregnancy Personal Responsibility (Guideline VII.A)	\$2,500	\$5,000	\$9,000	N/A
Regular sharing lifetime max, per illness	\$125,000	\$125,000	\$125,000	Unlimited
CHM Plus provision, per illness Members must add program prior to experiencing signs and symptoms (Guideline III.E)	Unlimited cost provision	Additional \$100,000 per year, accruing up to \$1 million		N/A

Note: Each individual unit within the same membership may participate in different programs. For example, a two-unit membership can have one unit in CHM Gold and one unit in CHM Silver. All dependent children participate as a single unit as long as a parent/legal guardian is actively participating in the membership (Guideline II.B.2)

C. Qualifying Amount per incident

Note: See Guideline III.A.3 for the definition of an incident.

1. QUALIFYING AMOUNTS

Before an incident can be submitted to CHM for sharing, it must meet the Qualifying Amount per incident based on the member’s selected program. The qualifying amounts are:

CHM Gold—\$1,250 per incident

CHM Bronze—\$6,000 per incident

CHM Silver—\$3,000 per incident

CHM SeniorShare™—\$500 per calendar year

2. MEETING THE QUALIFYING AMOUNT

Members may submit incidents for sharing review once the total cost of eligible medical services reaches the Qualifying Amount for their program. Only expenses directly related to the same incident may be used to meet this threshold.

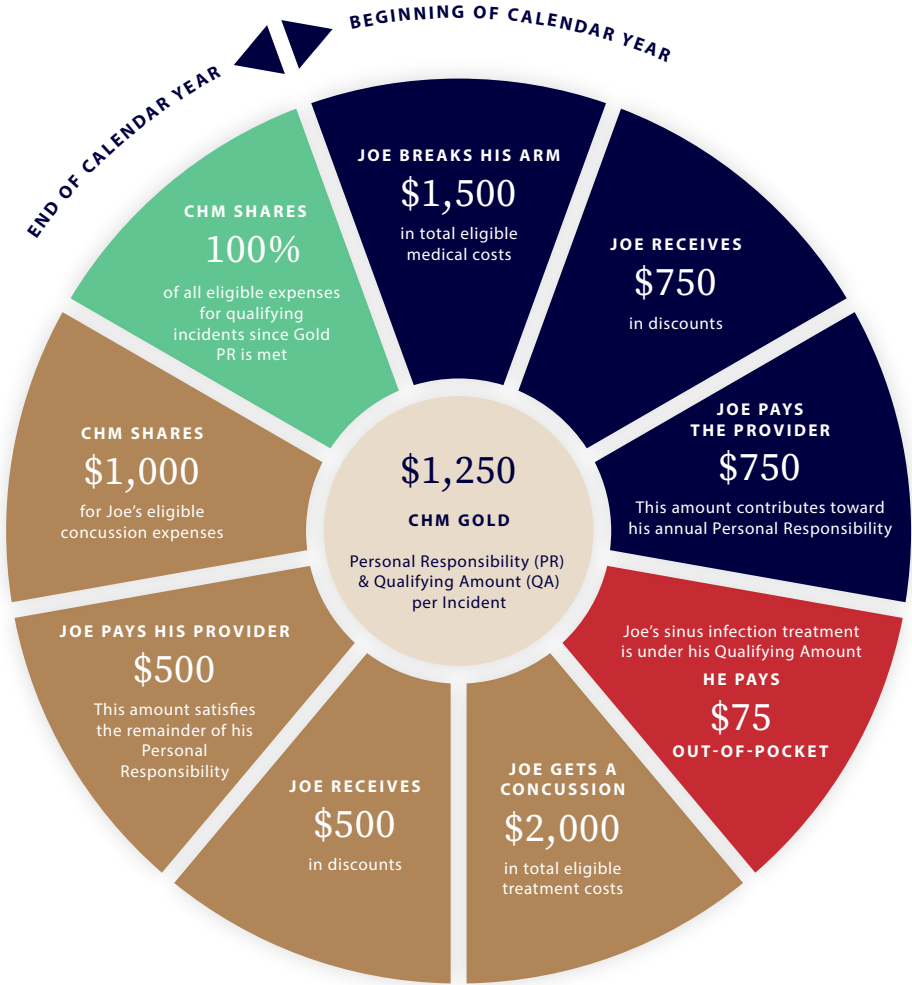

3. INCIDENT-RELATED EXPENSES*

Only eligible incident-related medical expenses can be combined to reach the Qualifying Amount per incident. See Guideline III.A.3 for definition of an incident.

4. NEW QUALIFYING AMOUNT*

If 90 days pass without any eligible expenses, or 12 months have elapsed from the incident’s first eligible date of service, any additional treatment costs must meet a new qualifying amount before they can be submitted for sharing.

*Not applicable for CHM SeniorShare™ members. For more details about how CHM SeniorShare™ works for qualifying members, see Guidelines III.G.

INCIDENT 3 (CONCUSSION)

INCIDENT 2 (SINUS INFECTION)

ALL REMAINING INCIDENTS

D. Personal Responsibility

Each program has an assigned Personal Responsibility per unit, per year.

1. DEFINITION

Personal Responsibility is the portion of eligible medical expenses that must be satisfied by members before CHM can consider their bills for reimbursement. The Personal Responsibility for each unit is met through qualifying incidents for members participating on that unit. See Guideline III.C for information on how incidents qualify for submission.

2. ANNUAL PERSONAL RESPONSIBILITY AMOUNTS

CHM Gold—\$1,250

CHM Bronze—\$6,000

CHM Silver—\$3,000

CHM SeniorShare™—\$0

3. SATISFYING PERSONAL RESPONSIBILITY

- a. Annual requirement:** Each unit must satisfy its annual Personal Responsibility amount before any eligible medical bills may be shared.
- b. Discounts:** After discounts are applied to medical bills, the remaining eligible charges are credited toward the unit's annual Personal Responsibility.
- c. Ineligible charges:** Any charges that do not meet CHM Guidelines for sharing cannot be applied toward Personal Responsibility.
- d. Combination of incidents:** Personal Responsibility may be satisfied through one qualifying incident or a combination of qualifying incidents throughout the year.
- e. Per unit amount:** The annual Personal Responsibility is applied per membership unit. Qualifying incidents for all children included in the dependent unit can be combined to meet the unit's requirement.
- f. Adult children starting their own membership:** When adult children move from a parent's membership to their own CHM membership, they must satisfy a new Personal Responsibility amount under their individual membership.
- g. Maternity events:** A separate Maternity Personal Responsibility applies to each eligible maternity event, distinct from the Personal Responsibility for other medical submissions. This means members with both maternity and non-maternity medical bills must satisfy separate Personal Responsibility amounts for each. The maternity amount varies based on the member's program participation. Refer to Guideline VII.A.2 for details on maternity sharing.

E. CHM Plus (optional add-on)

CHM Plus is an affordable, biblical program that safeguards CHM members against the financial impact of severe illness or injury. This program supplements the standard sharing support of \$125,000 per illness for CHM Gold, CHM Silver, and CHM Bronze members. By participating in CHM Plus from the start of their membership, members can know they'll have comprehensive support for catastrophic medical expenses that surpass \$125,000.

1. PARTICIPATING IN CHM PLUS

- a. **Monthly contributions:** CHM Plus members contribute a monthly amount per participating unit. These contributions are used to assist participants with eligible medical expenses exceeding \$125,000 per illness.
- b. **Cost information:** Details on participation costs are available at CHMinistries.org/program.
- c. **Dependent unit participation:** If a dependent unit is participating in CHM Plus and includes multiple children, at least one other unit in the membership—typically a parent unit—must also be enrolled in CHM Plus. This ensures alignment with the ministry's structure for household participation.

2. CHM PLUS SHARING

Adding CHM Plus to a membership unit increases the maximum lifetime sharing support per illness.

a. Qualifying for CHM Plus sharing

- 1) **Adding CHM Plus:** CHM Plus must be active before experiencing any signs, symptoms, testing, or treatment for illnesses exceeding \$125,000 to qualify for extended sharing.
- 2) **Continuous participation requirement:** To be eligible for sharing medical expenses through CHM Plus, continuous participation in CHM Plus is required throughout the entire sharing process.
- 3) **Termination of CHM Plus:** If CHM Plus is terminated for any reason, all current and future medical illnesses will revert to a maximum lifetime sharing support of \$125,000.
- 4) **Lapse of CHM Plus participation:** Members who wish to rejoin CHM Plus after a lapse in participation will be assigned a new CHM Plus start date. CHM Plus will be available for new illnesses beginning after this new start date. For detailed information about extended sharing for illnesses that began prior to CHM Plus participation, refer to Guideline III.E.3.

b. CHM Plus provision details

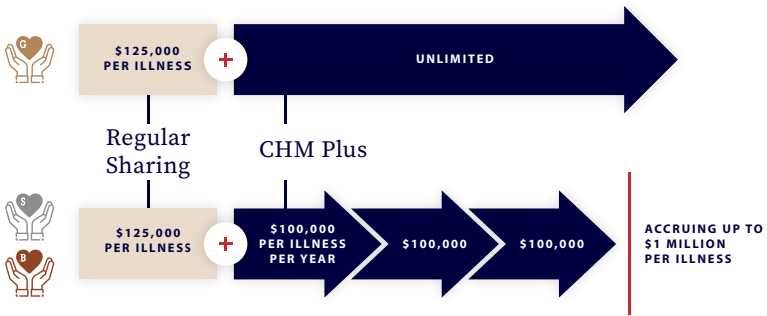

- 1) **CHM Gold:** CHM Plus provides unlimited cost support per illness for eligible medical expenses—even if the costs reach into the millions—offering the most extensive protection available in CHM programs (with the exception of CHM SeniorShare™, which does not have lifetime maximums).

2) CHM Silver and CHM Bronze

- i.** CHM Plus provides an additional \$100,000 of cost support per illness, per year of CHM Plus participation for eligible medical expenses.
- ii.** The first additional \$100,000 becomes available on the date the member adds CHM Plus to their membership.
- iii.** As long as the member continuously participates in CHM Plus without any breaks, they'll receive an additional \$100,000 of assistance on each anniversary of their join date. This amount can accrue up to \$1 million per illness.
- iv.** Funds added annually can only be applied to medical expenses incurred after the CHM Plus anniversary date. They cannot be applied to previously incurred bills.

3) CHM SeniorShare™: CHM Plus is not necessary for CHM SeniorShare™ participants. For more information, see Guideline III.G.

4) Exclusions: CHM Plus does not include sharing provision for congenital conditions or birth defects. See Guideline V.B.2 for information regarding congenital birth defects.

3. ADDING CHM PLUS AFTER JOINING CHM

Extended sharing can be applied to new illnesses only. Illnesses present before adding CHM Plus don't initially qualify for extended sharing.

However, upon reaching the third anniversary of continuous CHM Plus participation, new incidents related to an existing illness can be considered for extended CHM Plus sharing if the following conditions are met:

- a.** You have participated in CHM Plus for three full consecutive years; **-and-**
- b.** Your illness has become maintained according to the following criteria at least once since adding CHM Plus to your membership unit:
 - 1)** Your medical provider states that no further testing or treatment is needed, **-and-**
 - 2)** Medical records show that you are on a maintenance treatment regimen, **-and-**
 - 3)** At least 90 days have passed without the patient undergoing testing or treatment.

4. CHM PLUS PROVISION FOR PRE-EXISTING CONDITIONS

When a member with a maintained pre-existing condition* joins CHM, eligible medical bills for that condition exceeding \$125,000 per illness can be shared through CHM Give, providing all other CHM Guidelines are met and the following criteria are satisfied:

- a. Continuous participation:** CHM Plus must be added at the time of joining CHM and participation must remain continuous throughout membership.
-  **b. CHM Gold:** When eligible medical bills for maintained pre-existing conditions exceed \$125,000, CHM Plus offers unlimited cost support through CHM Give (see Guideline IV.D). After participating continuously for three full years on CHM Gold with CHM Plus, members will have access to regular CHM Plus sharing.
-   **c. CHM Silver and CHM Bronze members:** Through CHM Give, CHM Plus provides an additional \$100,000 of cost support per illness for each consecutive year of CHM Plus participation, up to a lifetime maximum of \$1 million for eligible medical bills related to maintained pre-existing conditions.

**See Guidelines Section IV for definitions and details relating to maintained pre-existing conditions.*

5. HOW SWITCHING PROGRAMS AFFECTS CHM PLUS

- a. Switching from CHM Bronze or CHM Silver to CHM Gold:** When a member who participates in CHM Plus switches from CHM Bronze or CHM Silver to CHM Gold, the following provisions apply:
 - 1) Unlimited cost support for new illnesses:** The CHM Plus program provides unlimited cost support for new illnesses as of the date CHM Gold membership begins. This only applies to medical illnesses for which no signs, symptoms, testing, or treatment occurred prior to the switch to CHM Gold.
 - 2) Conditions pre-existing to program change:** Illness with signs, symptoms, testing, or treatment that occurred prior to switching to CHM Gold will be shared according to CHM Plus specifications for CHM Bronze and CHM Silver, as defined in Guideline III.E.2.b.2.
- b. Switching from CHM Gold to CHM Bronze or CHM Silver:** For CHM Gold members participating in CHM Plus, switching to CHM Silver or CHM Bronze provides an additional \$100,000 of cost support per illness per consecutive year of CHM Plus participation. This amount accrues annually, up to \$1 million of sharing support per illness.

Those who call the CHM office asking about eligibility of medical services will be given an opinion, not a decision. Medical bills cannot be authorized for CHM sharing over the phone or by email inquiry.

F. Switching programs

Members can switch programs at any time, but it's important to understand the following information before making a program change.

CHM requires a 30-day notice from members who plan to change their program, number of units, discontinue participation, or otherwise alter their membership status.

1. SWITCHING TO A LOWER PROGRAM

When a member switches to a lower program:

- a. All medical bills—including those previously incurred or not fully processed—will be shared at the lower program beginning on the effective date of the change.
- b. If an illness began prior to the program change (with signs, symptoms, testing, or treatment), it will be shared at the lowest program the member has participated in since the illness began.
- c. Once an illness has begun, it will not qualify for sharing at a higher program, even if the member later switches to a higher program. It will remain at the lowest program for the lifetime of membership or until the member is no longer needing treatment and one year free of signs, symptoms, medication, and treatment related to the illness.

2. SWITCHING TO A HIGHER PROGRAM

- a. Any new illness with signs, symptoms, testing, or treatment that begins after the effective date of a member's switch to a higher program will qualify for sharing according to the CHM Guidelines under the higher program.
- b. If an illness began with signs, symptoms, testing, or treatment while the member was on a lower program, that illness will be shared at the lowest program the member has participated in since the illness began.
- c. This applies regardless of when the medical bills were submitted or incurred.
- d. That illness will remain at the lowest program for the lifetime of membership or until the member is no longer needing treatment and one year free of signs, symptoms, medication, and treatment related to the illness.
- e. Medical records may be required to confirm timelines and determine eligibility.

3. SWITCHING TO CHM SENIORSHARE™

When a member switches from any program to CHM SeniorShare™, eligible medical expenses incurred from the program start date forward will be processed according to the specific guidelines for CHM SeniorShare™ members. For more details on how eligible medical expenses are shared under CHM SeniorShare™, please refer to Guideline III.G.

For more information on submitting bills to CHM, see section VIII of the Guidelines or visit CHMinistries.org/stepbystep.

G. CHM SeniorShare™ participation

As CHM members approach retirement age, they can have great comfort in knowing that CHM participation can continue without interruption into the next phase of life.

1. PROGRAM PARTICIPATION AND MEDICARE ENROLLMENT

CHM SeniorShare™ is the designated program for members who are 65 and older or eligible for early Medicare. Participation is based on age or Medicare status as follows:

- a. CHM members aged 65 or older:** All new CHM members age 65 and older must enroll in CHM SeniorShare™ regardless of Medicare enrollment status.
- b. Early Medicare participants**
 - 1) Members under age 65 who qualify for early Medicare (e.g., through Social Security Disability) may choose to enroll in CHM SeniorShare™.
 - 2) Enrollment takes effect on the next billing cycle after CHM receives a copy of the member's red, white, and blue Medicare card.
- c. Members without Medicare enrollment:** Some members aged 65 and older may not be enrolled in Medicare due to insufficient work credits. These members must still participate in CHM SeniorShare™ but will be subject to reduced sharing unless Medicare Parts A and B or a Medicare Advantage Plan are in place. For more information on reduced sharing provisions, see Guideline III.G.3.b.

2. MEDICARE PARTICIPATION REQUIREMENTS

- a. Members age 65 and older:** Must have Medicare Parts A and B or a Medicare Advantage Plan in place as of the first day of the month they turn 65 to receive full sharing.
- b. Early Medicare-eligible members (under age 65)**
 - 1) Must notify CHM immediately upon qualifying for Medicare.
 - 2) Must have Medicare Parts A and B or a Medicare Advantage Plan.
 - 3) Must provide CHM with a copy of their Medicare card.
 - 4) Must contact CHM if there is a change in Medicare coverage.

3. SHARING PERCENTAGES ON CHM SENIORSHARE™

- a. Full sharing (100%):** CHM shares 100% of eligible medical expenses after Medicare has paid its portion, if the member meets the Medicare participation requirements.
- b. Reduced sharing (20%):** Up to 20% of eligible medical expenses are shareable in the following situations:
 - 1) Members are Medicare-aged but not enrolled in Medicare Parts A and B or a Medicare Advantage Plan.
 - 2) Services are received from non-participating Medicare providers.
 - 3) Services are received outside the United States.

Exception: Eligible emergency care received internationally while traveling qualifies for full sharing. Bills must be translated to English and converted to U.S. dollars.

“We joined CHM in 1984. Marie had quite a bit of heart problems and...

They never hesitated about taking care of her. It was the same way with me.

I’ve had a hip replacement, one knee replacement and CHM was always good to work with. I am so thankful for all the help through the years.”

– **KENNETH PETERSON SR.**
Kansas

4. CHM SENIORSHARE™ PROGRAM HIGHLIGHTS

a. Single annual incident

- 1) Members have one incident per calendar year.
- 2) Bills do not need to be grouped by diagnosis or condition.
- 3) Bills may be submitted once they total at least \$500 for the calendar year.
- 4) The incident continues through the calendar year regardless of time between healthcare services.

b. No Personal Responsibility: Members are not assigned a Personal Responsibility amount. Once the \$500 minimum is met, all eligible expenses are shareable.

- b. Expenses before CHM SeniorShare™ start date:** Expenses incurred before the SeniorShare™ effective date will be processed according to the member's previous sharing provisions.
- c. Confirming start date:** It's the member's responsibility to verify the effective date of their CHM SeniorShare™ enrollment to ensure accurate bill processing.

6. BILL SUBMISSION REQUIREMENTS

a. Required forms

- 1) Submit the CHM SeniorShare™ Incident Form.
- 2) Do not submit the Medical Bill Worksheet.

- c. Submission timeframe:** Medical bills must be submitted within six (6) months of the date services were incurred.

7. ADDITIONAL RESOURCES

For Medicare-related questions and support, visit [Medicare.gov](https://www.Medicare.gov) to:

- a.** Learn about Medicare programs.
- b.** Locate a local Medicare representative.
- c.** Make changes to Medicare coverage during Open Enrollment.
- d.** Obtain copies of your Medicare Summary Notices (MSN) for your records and to assist with CHM bill processing.

Note: Medicare representatives cannot answer questions about CHM or how CHM interacts with Medicare.

IV. Pre-existing conditions

A. Definition: Pre-existing conditions

CHM offers two options for sharing pre-existing conditions: scheduled sharing and CHM Give. To understand how each option works, it's important to define what qualifies as a pre-existing condition.

1. PRE-EXISTING CONDITIONS

A pre-existing condition is any medical condition for which a member experiences signs, symptoms, testing, or treatment (including routine and/or maintenance medications) before joining CHM, regardless of whether the member has received a diagnosis.

2. A CONDITION IS NO LONGER CONSIDERED PRE-EXISTING IF ALL THREE STATEMENTS ARE TRUE:

- a. Your official medical records state that you no longer need treatment for the condition, **-and-**
- b. You are not on a maintenance medication regimen for that condition, **-and-**
- c. You have experienced one year without signs, symptoms, testing, or treatment.

3. CANCER IS NO LONGER A PRE-EXISTING CONDITION IF BOTH STATEMENTS ARE TRUE:

- a. Your medical records state that you are cancer-free or no longer needing treatment, **-and-**
- b. You have gone five years without any signs, symptoms, treatment, or testing (other than routine follow-up appointments).

4. MEETING GUIDELINES CRITERIA

Medical bills considered for sharing through CHM's options for pre-existing conditions must adhere to all CHM Guidelines for sharing.

B. Active vs. maintained conditions

CHM distinguishes between two types of pre-existing conditions: active and maintained. When a member joins CHM with a pre-existing condition, that condition must be considered maintained to qualify for sharing. To make this determination, CHM applies the following criteria:

1. ACTIVE PRE-EXISTING CONDITIONS

A condition is considered active and medical bills will not be eligible for sharing if:

- a. You have experienced signs or symptoms either before or at the time of joining CHM, **-and/or-**
- b. Your condition actively needs testing or treatment other than maintenance (routine) medications, regardless of whether you have received a diagnosis.

2. MAINTAINED PRE-EXISTING CONDITIONS

A condition is considered maintained if all three statements are true:

- a. Your medical records show that you are on a maintenance treatment regimen, **-and-**
- b. Your medical provider states that no further testing or treatment is needed, **-and-**
- c. At least 90 days have passed without undergoing testing or treatment.

3. MEDICAL RECORD REQUIREMENT

If you’ve experienced a medical condition prior to joining CHM, including but not limited to those on the following list, CHM may request medical records to determine whether related expenses can be shared as a maintained pre-existing condition.

Non-exhaustive list of pre-existing conditions that may be eligible for sharing
(Medical records may be requested.)

Irritable bowel syndrome (IBS)	Kidney disorders	Heart conditions <i>(e.g., stents, pacemakers, medications)</i>
Diabetes	Bunions	High blood pressure
Thyroid issues	Crohn's disease	Arthritis
Joint pain	Glaucoma	High cholesterol
Cataracts	Cancer	Skin disorders
Asthma	Epilepsy	Congenital conditions*
Back or neck pain	Menorrhagia	Carpal tunnel

**See Guideline V.B.2 for detailed information regarding sharing for congenital conditions.*

Defining pre-existing conditions

1

Have you talked to a medical professional?

2

Have you had signs, symptoms, treatment, or testing?

3

Have you taken a prescription?

C. Maintained pre-existing sharing schedule (CHM Gold only)

CHM Gold members receive assistance with medical bills for **maintained pre-existing conditions** (Guideline IV.B.2) according to the following criteria:

1. SHARING SCHEDULE

For the first three years of CHM Gold membership, eligible medical bills for maintained pre-existing conditions are shared as follows:

- a. **First year of membership:** Bills incurred for a pre-existing condition are eligible for sharing up to \$15,000.
- b. **First two years of membership:** Bills incurred for a pre-existing condition are eligible for sharing up to \$25,000 (\$15,000 during the first year plus \$10,000 during the second year).
- c. **First three years of membership:** Bills incurred for a pre-existing condition are eligible for sharing up to \$50,000 (\$15,000 during the first year plus \$10,000 during the second year plus \$25,000 during the third year).

Note: Funds added annually can only be applied to medical expenses incurred after each CHM Gold anniversary date; they cannot be applied to previously incurred bills.

2. MEDICAL BILLS EXCEEDING SCHEDULE SUPPORT

CHM Give is available for the eligible medical bills exceeding each year's schedule support.

- a. **Monthly reimbursement:** Through CHM Give, members will receive monthly reimbursement until the qualifying bills are satisfied.
- b. **Continuous participation requirement:** Members must maintain their CHM membership to continue receiving monthly reimbursement.

3. AFTER THE THIRD YEAR OF MEMBERSHIP

The condition is no longer considered pre-existing and is eligible for regular sharing.

D. CHM Give

CHM Give is a Spirit-led option that enables the sharing of eligible medical bills for members with maintained pre-existing conditions.

Through CHM Give, members and non-members voluntarily contribute donations to support members with maintained pre-existing conditions.

Members who receive funds through CHM Give agree to allow CHM to publicly share their names, addresses, condition summaries, and current donation amounts.

1. CHM GIVE PARTICIPANTS

- a. CHM Silver and CHM Bronze members:** CHM Give enables sharing for CHM Silver or CHM Bronze members with eligible incidents classified as maintained pre-existing conditions.
- b. CHM Gold members:** Eligible medical bills that exceed the schedule support described in Guideline IV.C qualify for sharing through CHM Give.
- c. Maximum sharing support:** For illnesses without CHM Plus provision, the maximum sharing support is \$125,000.
- d. Meeting Guidelines criteria:** All CHM Guidelines apply to medical expenses shared on CHM Give.

2. HOW TO CONTRIBUTE

- a. Financially:** CHM members are encouraged to contribute to CHM Give as they feel led. Donations above monthly contributions are collected and distributed to members whose bills are shared through CHM Give. These donations are tax deductible charitable contributions.

“Members from across the country prayed for Mallory’s healing and sent her encouraging cards and letters. Someone even mailed her a handmade stuffed animal!

The generosity of “strangers” has left me in awe—but it just goes to show that we aren’t strangers at all.

We’re brothers and sisters connected through our Heavenly Father.”

– **CASSIE MILLBURN**
Virginia

- b. **Spiritually:** Members are invited to send cards and notes of encouragement to fellow members who are occasionally listed on CHM Give. Many recipients share testimonials about the blessings of receiving both financial and spiritual support from CHM members. These testimonials are featured on the CHM website (**CHMinistries.org/testimonials**) and in *Heartfelt Magazine*.
- c. For more information about CHM Give, call 800-791-6225 or email **CHMgive@CHMinistries.org**.

E. Switching programs with pre-existing conditions

Switching CHM programs may affect how current or ongoing medical expenses for pre-existing conditions are shared. For general rules about how switching programs impacts sharing, see Guideline III.F.

1. IMPORTANT NOTE FOR PRE-EXISTING CONDITIONS

Regardless of whether you move to a higher or lower program, maintained pre-existing conditions will be shared through CHM Give at the lowest program you have participated in since your CHM membership enrollment date—for the lifetime of your membership or until you are no longer needing treatment and have been one year free of signs, symptoms, medication, and treatment related to the illness. This does not apply to members moving to CHM SeniorShare™.

2. SWITCHING TO A LOWER PROGRAM

All eligible medical bills related to maintained pre-existing conditions, including those incurred prior to the program change or not yet fully processed, will be shared through CHM Give at the lower program beginning on the effective date of the change.

3. SWITCHING TO A HIGHER PROGRAM

- a. Any new illnesses with signs, symptoms, testing, or treatment that begin after the effective date of the switch will be shared according to CHM Guidelines under the higher program.
- b. Maintained pre-existing conditions will continue to be shared through CHM Give at the lowest program the member has participated in since CHM membership enrollment, regardless of when the medical bills were incurred or submitted. Medical records may be required to confirm timelines and determine eligibility.

4. SWITCHING TO CHM SENIORSHARE™

When a member switches from any program to CHM SeniorShare™, eligible medical expenses incurred from the program start date forward—including expenses related to pre-existing conditions—will be processed according to the specific guidelines for CHM SeniorShare™ members. For more details, see Guideline III.G.

CHM requires a 30-day notice from members who plan to change their program, number of units, discontinue participation, or otherwise alter their membership status. Switching programs may impact outstanding Personal Responsibility amounts.

V. Understanding eligibility

A. Determining eligibility

We encourage CHM members to contact CHM at 800-791-6225 if they have any questions about their medical bill eligibility. However, we are unable to authorize medical bills over phone or email, and we will only be able to provide an opinion, not a determination.

1. REQUIREMENTS FOR SHARING

- a. **Conventional treatment:** CHM shares the costs of conventional medical treatment as ordered or administered by medical doctors according to CHM Guidelines and membership programs.
 - 1) **Definition:** Conventional medical treatment refers to the standard methods of diagnosis, treatment, and prevention of disease that are widely accepted and practiced by the mainstream medical community.
 - 2) **Key characteristics:**
 - i. **Evidence-Based:** Treatments and procedures are based on scientific research, clinical trials, and established medical knowledge.
 - ii. **Standardized Practices:** Utilizes standardized protocols and guidelines established by medical authorities and professional organizations.
 - iii. **Licensed Providers:** Delivered by healthcare professionals who are licensed and regulated by medical boards or relevant authorities.
 - iv. **Widely Accepted:** Endorsed and practiced by the majority of the medical community, including hospitals, clinics, and medical institutions.
 - v. **Modern Medicine:** Often involves the use of pharmaceuticals, surgery, radiation, and other advanced medical technologies.
- b. **Providers in good standing:** CHM shares the costs of eligible medical treatment administered by providers in good standing. A medical provider in good standing meets the following criteria:

Bills for medical treatment administered by providers who do not meet these criteria will not be eligible for sharing.

- f. Timely payments:** Pay providers within 30 days of receiving your reimbursement check from CHM.

3. MEDICAL RECORD REVIEW

- a. Request for comprehensive medical records:** CHM may request comprehensive medical records to evaluate whether submitted expenses meet eligibility requirements. These records must include relevant diagnoses, treatment history, and supporting clinical documentation.
- b. When medical records may be needed:** A medical record review is not required for every sharing request but may be necessary when additional detail is needed to:
 - 1) Confirm that treatment is related to a qualifying medical incident
 - 2) Verify that expenses meet the Guidelines for sharing
 - 3) Ensure accurate processing of medical bills
- c. Member authorization to release records:** Members are responsible for authorizing their healthcare providers to release medical records to CHM upon request.

A new Qualifying Amount will apply for the second surgery. For information on how Personal Responsibility is assessed, see Guideline III.D.

“Seeing our medical bills shared helped give us strength to fight against our daughter’s cancer.

Ministry members sent us numerous cards and letters with meaningful words of encouragement and prayer.

Without question, our family is blessed to be part of such an amazing group of believers!”

VI. Accidents and Injuries

A. Definitions

If an accident or injury occurs, please note the special considerations that apply depending on whether the accident involves a motor vehicle or another type of incident.

1. MOTOR VEHICLE ACCIDENTS

An incident involving a vehicle designed for use on public roads and subject to state registration requirements.

2. NON-MOTOR VEHICLE ACCIDENTS

Any incident causing injury that does not involve a motor vehicle, such as:

- a. **Falls:** At home, work, or in public spaces
- b. **Sports or recreational injuries**
- c. **Devices not required to be registered for road use:** Bicycles, skateboards, scooters, and similar
- d. **Household or workplace incidents**

B. Motor vehicle eligibility

1. SAFETY REQUIREMENTS

If a CHM member is injured while operating or occupying a motor vehicle, bills are reviewed for eligibility based on the following criteria:

- a. **Eligible:** CHM can only share the injured member's medical bills when all manufacturer-recommended safety equipment (e.g., seat belts, helmets) was worn correctly (in the way recommended by the manufacturer of the motor vehicle) at the time of injury. This applies regardless of:
 - 1) The type of motor vehicle in use
 - 2) Whether the member was the operator or passenger
 - 3) State or county requirements
- b. **Ineligible:** Bills from motor vehicle accidents where required safety equipment, such as a helmet or seat belt, was not worn are ineligible.
- c. **Exceptions:** Safety requirements do not apply when:
 - 1) The member is occupying or operating a motor vehicle on their own premises or real property, whether owned or leased by the member, to service or maintain that property.
 - 2) The failure to use manufacturer-recommended safety equipment did not contribute in any way to the injury. Medical records may be requested for verification.

2. NON-MEMBER PASSENGERS

Medical bills for non-members are not eligible for sharing, regardless of the circumstances.

C. Insurance requirements

1. MOTOR VEHICLE ACCIDENTS

- a. Exhaustion of other sources:** Eligible bills are shared up to \$125,000 per accident once all other funding sources (including applicable auto insurance) have been exhausted and the accident meets CHM Guidelines. Participation in CHM Plus—when added to the membership unit prior to the accident—can increase sharing support.
- b. Passengers in another’s vehicle:** The vehicle owner’s insurance must be used first. Only after the vehicle owner’s insurance is exhausted will the member’s eligible bills qualify for sharing.
- c. Injured by an insured motorist:** The wrongdoer’s liability coverage must be used first. Only after the liable party’s insurance is exhausted will the member’s eligible bills qualify for sharing.
- d. Auto insurance limits:** CHM encourages members to set the highest possible medical coverage limit on their auto insurance. This helps CHM steward member’s funds wisely and keep monthly financial contributions low.

2. NON-MOTOR VEHICLE ACCIDENTS

- a. Exhaustion of other sources:** All applicable funding sources—such as homeowners’ insurance, renters’ insurance, recreational facility coverage, or employer-provided coverage—must be exhausted before CHM shares bills.
- b. Eligibility after exhaustion:** Once other sources are exhausted and the incident meets CHM Guidelines, eligible bills are shared according to the regular program support. Participation in CHM Plus may increase sharing support (see Guideline III.E).

D. Required documentation

To determine eligibility and process bills for accident- or injury-related incidents, members must provide the following:

1. ALWAYS REQUIRED

- d. Legal representation:** If legal representation is involved, members may be required to complete additional forms or steps so CHM can coordinate sharing appropriately.

E. Extreme sports and hazardous activities

VII. CHM Care Solutions

A. Maternity Care Solution (MCS)

CHM members love to share in the blessings of new life. CHM maternity sharing includes extensive provision for members wanting to grow their families.

Members with qualifying pregnancies can receive up to \$125,000 per maternity event. This amount can be increased with CHM Plus participation. More information about participating in CHM Plus can be found in Guideline III.E.

IMPORTANT NOTE: If a member joins CHM during an existing pregnancy, expenses for that pregnancy, including any related complications, are not eligible for sharing through any CHM programs or CHM Give.

1. MATERNITY ELIGIBILITY

a. Qualifying for maternity sharing

- 1) **Marital status:** The member must be married at the time of conception.
- 2) **Membership requirement:** The member must have joined CHM at least 300 days before the estimated delivery date. The due date must be verified by a physician, obstetrician, or midwife.
- 3) **Exclusion:** If the member does not meet the preceding qualifications, the **entire** maternity event for mother and baby is ineligible for sharing.

b. Program participation: The maternity event will be shared according to the member's program participation 300 days prior to their expected due date, as verified by a medical professional.

c. Qualifying Amount: Each maternity event has a Qualifying Amount based on program participation. Eligible maternity expenses must meet the following amounts for the event to be considered for sharing:

- | | | |
|---------------------|-----------------------|-----------------------|
| 1) CHM Gold—\$2,500 | 2) CHM Silver—\$5,000 | 3) CHM Bronze—\$9,000 |
|---------------------|-----------------------|-----------------------|

d. Extended sharing: CHM Plus must be added at least 300 days before your estimated delivery date to extend the total sharing support. See Guideline III.E for details on CHM Plus participation.

e. Continuity of participation: The mother must remain an active CHM member and current with all monthly financial contributions until all bills related to the maternity incident have been processed and shared.

2. MATERNITY PERSONAL RESPONSIBILITY

Each eligible maternity event is subject to Maternity Personal Responsibility.* This is the amount the member is responsible for before their maternity costs can be considered for sharing.

a. Personal Responsibility based on program participation

- | | | |
|---------------------|-----------------------|-----------------------|
| 1) CHM Gold—\$2,500 | 2) CHM Silver—\$5,000 | 3) CHM Bronze—\$9,000 |
|---------------------|-----------------------|-----------------------|

b. Reducing Maternity Personal Responsibility

- 1) CHM offers a Maternity Personal Responsibility reduction of \$500.
- 2) To receive this reduction, you must contact CHM by phone and speak with a Maternity Care Support Specialist within the first 16 weeks of pregnancy.
- 3) If you contact the Maternity Care Team prior to conception, CHM should be notified when conception is confirmed to allocate the Maternity Personal Responsibility correctly.
- 4) Early engagement calls allow CHM Maternity Support Specialists to connect you with our Maternity Nurse Navigator, recommend quality providers, and support you through prayer.

**The Personal Responsibility for maternity sharing is separate from the annual Personal Responsibility per unit required for non-maternity sharing (Guideline III.D).*

3. SWITCHING PROGRAMS WITH RESPECT TO MATERNITY EVENTS

Maternity events are shared based on the member's program participation 300 days prior to their expected delivery date, as verified by a medical professional. However, switching programs within the 300 days before the estimated delivery date and 90 days following delivery will result in higher Qualifying Amounts and Personal Responsibility.

- a. **Switching to a lower program:** When a member switches to a lower program, the maternity event will be shared according to the lower program's Qualifying Amount and Personal Responsibility.
- b. **Switching to a higher program:** When a member switches to a higher program, the maternity event will be shared according to the lower program's Qualifying Amount and Personal Responsibility.
- c. **Program changes impact:** Switching programs will have the following results for eligible maternity events:
 - 1) The lower program's Qualifying Amount must be met for maternity event eligibility.
 - 2) Members are responsible for any additional Personal Responsibility amounts resulting from a program switch.
 - 3) Medical bills related to the maternity event or any other medical incident will not be shared until these amounts are satisfied.
- d. **Notice for changes:** CHM requires a 30-day notice from members who plan to change their program, number of units, discontinue participation, or otherwise alter their membership status.

4. ELIGIBLE MATERNITY EXPENSES

Note: If a maternity event is determined to be ineligible, then any associated services, including complications related to the pregnancy and delivery for both the mother and baby, are also deemed ineligible.

CHM will share medical bills for:

 - 1) one obstetrician, **-or-**
 - 2) one midwife (including one additional midwife at delivery).

b. Prenatal visits

- 2) Treatments for the mother occurring more than 90 days after delivery, and for the baby more than 30 days following birth, must be processed as new medical incidents, separate from the maternity event. As with any new medical incident, the Personal Responsibility and Qualifying Amount per incident must be met.

6. GENETIC TESTING (MATERNITY)

- a. **Ineligible testing:** Genetic tests performed solely for preventative, presymptomatic, and predictive reasons are not eligible for sharing. This includes screenings that assess the potential for a baby to develop conditions in the future, even when there are no current symptoms or medical concerns.
- b. **Eligible testing considerations:** Maternity-related genetic testing may be considered eligible for sharing when all of the following conditions are met:
 - 1) The testing is required to diagnose a condition affecting the mother or baby when symptoms or abnormal findings are present.
 - 2) The results of the test will directly impact decisions about treatment or care during the current pregnancy.
 - 3) Medical records must be provided and will be reviewed to confirm that the testing meets CHM's eligibility requirements.
- c. **Amniocentesis:** An amniocentesis may be eligible for sharing when medical records confirm that the procedure is required to determine life-preserving treatment for either the baby or the mother.

7. INELIGIBLE MATERNITY EXPENSES

- a. **Circumstances that make the entire maternity event ineligible:** The following situations result in the entire maternity event being ineligible for sharing. CHM cannot share any expenses for the mother and baby in these cases, including prenatal care, delivery, complications related to delivery, postpartum care, or newborn care following delivery (prior to hospital discharge):

- 2) When an agreement is not available.

e. Submission deadline

- 1) Medical bills must be submitted within six months of the mother's estimated due date (EDD).
- 2) Early submission allows for quicker processing.
- 3) Early submission also helps the Member Advocate team negotiate discounts more effectively, since providers are often more responsive when negotiations take place soon after the date of service.
- 4) For any maternity services received after delivery, bills received more than six (6) months from the date of service are not eligible for sharing.

9. CHANGE OF PROVIDER

a. Required documents: Members who change providers before delivery must submit the following:

- 2) **Itemized bill from the new provider:** A detailed bill from the new provider for services rendered after the switch.

b. If funds have already been shared:

- 1) The member must return any over-shared amounts.

10. BABIES AS CHM MEMBERS

a. Babies born within an eligible maternity event

1) Medical bill sharing

- i. Medical bills for the baby incurred in the first 30 days following birth may be considered for sharing under the mother's membership unit.
- ii. **Exception:** Babies with a congenital birth defect must transition immediately from their mother's membership unit to their own unit. Reference Guideline V.C.2 for sharing information about congenital birth defects.

2) Adding the baby to the membership

- i. The new baby must be added to the mother's membership for continued sharing eligibility.
- ii. Contact CHM at 800-791-6225 within the first 30 days after delivery with the following information:

4) Removing the baby from membership: Members who wish to remove the baby from their membership must contact the CHM Member Support department.

b. Babies born to mothers not eligible for CHM's Maternity Care Solution**1) Adding the baby to the membership**

- i. Parents must contact CHM to add the baby to their membership.
- ii. If a baby has a family member already participating in a CHM program at the time of birth, the baby can be added to the program effective from the date of birth, provided that a parent contacts CHM within 30 days of birth.
- iii. If the baby does not have a family member participating in a CHM program at the time of birth, the baby's start date will not be the birth date. Instead, it will be the date CHM is contacted with a request to add the baby to the membership.
- iv. Even if the baby's membership start date is the date of birth, bills incurred from delivery to hospital discharge cannot be shared. These expenses are considered maternity-related and can only be shared as part of an eligible maternity event.

2) Eligibility of medical expenses: Eligible medical expenses for illnesses beginning after the baby's start date may be considered for sharing.

11. MISCARRIAGE AND STILLBIRTH**a. Eligibility**

- 3) For detailed information about eligible postpartum depression expenses, see Guideline VII.A.5.b.1.iii.

b. Processing of miscarriages and stillbirths

E. Prescription Care Solution (PCS)

When health incidents occur, prescriptions are often a necessary part of treatment and can be costly. CHM's Prescription Care Solution (PCS) provides members with resources to compare prices and make informed choices, helping reduce out-of-pocket costs.

1. ELIGIBILITY FOR SHARING

For all CHM programs, prescription costs related to a qualifying medical incident are eligible for sharing for up to the first 90 days of treatment. Prescriptions used for maintenance treatment regimens are not eligible for sharing (see Guideline V.B.10).

2. REDUCING PRESCRIPTION COSTS

VIII. Submission of medical bills

Are you ready to submit medical bills? Review this checklist to be sure:

- My incident meets CHM eligibility Guidelines.
- My medical expenses meet my Qualifying Amount per incident.
- I'm submitting medical bills within the six-month timeframe.
- I've pursued other available sources of payment (medical insurance, auto/home insurance, financial aid, third-party payers, special programs).
- My medical bills are itemized.
- I've completed my required forms.

Please review the following steps below before submitting bills for a medical incident.

Visit our website at **CHMinistries.org** or contact CHM at 800-791-6225 if you have any questions about medical bill submission.

Maryland members only: To comply with Maryland state law, medical bill sharing is experienced through member-to-member giving. Please visit **CHMinistries.org/news/chm-membership-for-maryland-residents**.

Those who call the CHM office asking about eligibility of medical services will be given an opinion, not a decision. Medical bills cannot be authorized for CHM sharing over the phone or by email inquiry.

A. CHM is secondary to other payment sources

We take joy in caring for God's people and supporting CHM members by facilitating the sharing of medical bills. However, it's important to understand that CHM is a ministry, and as such, operates as a secondary payment source when other forms of payment are available or when another party is liable for medical bills.

- 1. Submission to other insurances or primary payment sources:** Members should first submit their medical bills to relevant insurance providers (e.g., auto, home, school, supplemental), Medicare, Medicaid, Workers' Compensation, fraternal benefits, or any other resource available to pay all or a portion of the bills.
- 2. Documentation requirements:** When submitting medical bills to CHM, members must include, when applicable: receipts of payment from other sources, notices of liability, or letters of rejection from primary payment sources. Documentation should demonstrate that all other payment sources have been exhausted before CHM sharing is considered.
- 3. Concurrent submissions:** You may submit medical bills to CHM while awaiting payment from other sources. Note on the bill if you've applied for financial assistance or have other insurance pending.

B. Medical bill sharing process

Submitting medical bills to CHM is a collaborative effort. Members initiate the sharing process by answering a few simple questions, providing documentation, and submitting itemized medical bills in a timely manner so that CHM staff can process the requests and send out funds for eligible expenses as quickly as possible.

1. TIMEFRAME FOR SUBMISSION

To ensure timely processing, members should submit medical bills to CHM as soon as possible.

- a. Submission deadline:** Medical bills must be submitted within six (6) months of the date of service.
- b. Ineligible late submissions:** Bills received more than six (6) months from the date of service are not eligible for sharing.

2. SUBMITTING MEDICAL BILLS

The key to quick processing is providing as much detail as possible every time you submit bills.

CHM encourages the use of the Member Portal, as it's the most efficient and accurate way to submit medical bills. The portal guides you through all required questions.

a. Speedy submission through the Member Portal

- 1)** Log in at portal.CHMinistries.org and navigate to My Medical Bills.
- 2)** Follow the on-screen questions to provide your contact details, description of the medical incident, and itemized bill information.
- 3)** The portal automatically prompts you for additional details or documentation based on your responses.
- 4)** Obtain and upload itemized medical bills related to the illness/incident. See Guideline VIII.B.2.c for detailed information about itemized bills.

b. Alternative submission methods

- 1) Requests for medical bill sharing may also be sent through the following methods:

4  Procedural (CPT) codes or description of service

5  Total charge of each service

2) When bills are not itemized

- i. If the payment receipt does not include the five details listed above, request an itemized bill from your provider.
- ii. If your provider cannot offer a printed itemized medical bill, handwritten information will be accepted only if the same five itemization details are presented on provider letterhead and accompanied by a dated signature of the provider or authorized medical personnel from the servicing facility.

3) Submit add-on bills as they are incurred:

- i. Additional expenses incurred within 12 months of the first eligible date of service ("add-on bills") can be submitted as part of your current incident provided no more than 90 days have elapsed since the most recent eligible date of service. See Guideline III.A.3.b for information about incident time limits.
- ii. Please write "add-on" and your CHM member number at the top of the new bill to ensure it is appropriately filed.

d. Report discounts as you receive them

- 1) **Submission of updated documents:** If a provider issues a new bill with updated totals or discounts, please submit the new document to CHM to facilitate accurate reimbursement for the medical services rendered.
- 2) **Communicating verbal discounts:** If a verbal discount is extended by a provider after a medical bill has been submitted, please contact CHM at 800-791-6225 or info@CHMinistries.org to communicate the updated information.

3. SHARING TIME

a. Process initiation

- 1) The sharing process starts on the date CHM receives the medical bill(s), not the date when charges are incurred or when bills are submitted.
- 2) Add-on bills for an ongoing incident will be processed based on the date they're received.

b. Current information: For the most up-to-date information about CHM's sharing time, call 800-791-6225.

c. Potential lengthening of sharing time:

Sharing time may be extended under the following circumstances:

- 1) Incomplete or missing forms.
- 2) Medical bills are not itemized or the copies received are unreadable.
- 3) CHM is awaiting a reply from the healthcare provider regarding discounts, financial aid approval, or other communications.
- 4) CHM is waiting to receive medical records to determine incident eligibility.

d. Coordination with insurance: Members who have insurance (e.g., Medicare, Medicaid, auto, or supplemental insurance) or Workers' Compensation should submit the Explanation of Benefits or documentation of payments received as soon as possible to avoid processing delays.

C. The medical bill's journey

We've established a process to maintain the utmost financial integrity while efficiently processing medical bills.

1. MEMBER BILL PROCESSING

Staff receives bills and forms through the online Member Portal, by fax, or by mail and sorts them for processing by date of receipt. Bills are reviewed for itemization and entered into CHM's database.

2. AUTHORIZATION

Staff reviews eligibility, categorizes bills, and authorizes them according to the CHM Guidelines.

3. MEMBER ADVOCATE

When necessary, staff verifies amounts with the provider to make sure the maximum discount has been obtained. Members should notify CHM of any discounts received that are not reflected on the itemized statement.

4. MEMBER REIMBURSEMENT

Staff assesses Personal Responsibility, performs a final review, and releases funds for sharing from the audited Member Sharing Account.

Are you ready to submit medical bills? Review this checklist to be sure:

- My incident meets CHM eligibility Guidelines.
- My medical expenses meet my Qualifying Amount per incident.
- I'm submitting medical bills within the six-month timeframe.
- I've pursued other available sources of payment (*medical insurance, auto/home insurance, financial aid, third-party payers, special programs*).
- My medical bills are itemized.
- I've submitted my sharing request information through the Member Portal or by mail.

D. Discounts and financial assistance

Hospitals often extend discounts to self-pay patients and offer financial assistance programs. The average discount varies by state, with potential discounts reaching up to 60-70%, depending on the location.

1. DISCOUNTS

Medical bill discounts are essential for enabling CHM to serve all members effectively. The Member Advocate department specializes in medical bill discounts and assists with discount negotiation for eligible bills exceeding \$1,000. Adhering to the guidelines provided in this section will help CHM steward members' funds wisely:

- a. Always ask for a self-pay discount:** Request a self-pay discount whenever you receive medical services.
- b. Negotiate self-pay discounts**
 - 1) CHM recommends negotiating for a self-pay discount whenever possible.
 - 2) Providers routinely offer discounts of 40% or more on medical bills for insurance policyholders; CHM members should request similar consideration.
- c. Payment plans:** If you're unable to pay your medical expenses at the time of service, request a payment plan from your healthcare provider.
- d. Contacting the Member Advocate department:** Before paying bills totaling \$1,000 or more from an individual healthcare provider, please contact the CHM Member Advocate department if:
 - 1) You're unable to obtain a self-pay discount.
 - 2) You obtain a significant discount, but:
 - i. the provider has a deadline for payment **-and-**
 - ii. you're unable to pay out-of-pocket.

2. CHM INTERACTIONS WITH PROVIDERS

- a. Negotiations of discounts:** CHM may negotiate discounts with medical providers on behalf of members, in addition to member-negotiated discounts. For this purpose, CHM might utilize the assistance of vetted and contracted vendors. These vendors may receive limited member healthcare information, which is scrupulously protected and provided only on a need-to-know basis.
- b. Agreements with providers:** CHM can also negotiate agreements and understandings with providers to streamline the processing of one or more member bills. Despite these agreements, members are always responsible for their own medical expenses.
- c. Time-sensitive agreements:** Most negotiated agreements and understandings are time-sensitive, requiring prompt payment to secure the stated discount. If a discount is lost due to member negligence, such as failing to submit required documentation or missing the payment date, the member is responsible for the amount of the lost discount. Your prompt attention to these matters will help CHM continue processing your bills on schedule.

3. FINANCIAL ASSISTANCE

In addition to self-pay or uninsured discounts, many healthcare providers offer financial assistance resources. When negotiating with your healthcare provider, taking the time to explore all available financial assistance options can lead to significant savings, reduce your out-of-pocket costs, and help CHM member contributions go farther in supporting the medical needs of all members.

a. Ask about financial assistance

- 1) Before accepting the self-pay or uninsured discount, inquire if the provider offers any financial assistance programs.
- 2) Request to apply for financial assistance, as it often results in larger reductions than standard discounts, sometimes offsetting up to 100% of the billed charges.

b. Understand requirements

- 1) Financial assistance is not always based on income. Therefore, exploring this option is essential regardless of your financial situation.
- 2) Each provider has its own financial assistance policies and requirements. Make sure you understand your provider's specific application qualifications.
- 3) Financial assistance programs are typically offered according to state or internal guidelines, which means they can vary widely from one provider to another.

4. DRUG ASSISTANCE PROGRAMS

Prescription assistance programs can be a vital resource for patients needing high-cost medications for conditions such as cancer or Crohn's disease.

a. Manufacturer assistance programs: Many drug manufacturers offer patient assistance programs (PAPs), which often have dedicated phone numbers or websites where patients can apply for help.

b. Uninsured patient programs: If you do not have primary prescription coverage through another source, look for programs specifically designed for uninsured patients. These programs can provide significant savings or even free medication depending on the eligibility criteria.

“I’ve been incredibly pleased with my CHM membership for myself, my kids and my wife...”

just as I’ve been pleased with CHM as a physician who takes care of CHM members and works with the ministry on the provider side of it as well.”

– **JEFF ERDNER,**
EMERGENCY MEDICAL SPECIALIST
Texas

E. Paying providers after reimbursement

It’s the members’ responsibility to use funds received from CHM to pay the appropriate healthcare providers or to reimburse themselves for payments already made. **It’s considered an abuse of members’ trust to use money received from CHM for any purpose other than paying the applicable healthcare providers.**

- 1. Prompt payment:** Paying healthcare providers within 30 days of receiving a reimbursement check is a CHM membership requirement.
- 2. Timely payment consequence:** Failure to pay your providers in full within 30 days of receiving your reimbursement check may result in membership termination.
- 3. Uncashed checks:** If sharing checks are not cashed or deposited within six months of the date issued, CHM will conclude that the disbursed funds are meant to be returned to the ministry and applied toward the sharing of another member’s medical bills.
- 4. Explanation of Sharing:** Review the Explanation of Sharing, located on the reverse side of the check stub, to determine which medical bill reimbursements are included in the received check.

- 5. Questions about amounts shared:** If you have questions regarding the amount shared, please contact CHM at 800-791-6225.
- 6. Accurate information and fund usage:** Failure to provide accurate information or to use shared funds to pay for submitted bills will render your entire membership ineligible for CHM sharing until all of your providers are paid the accurate amount.
- 7. Direct payment by CHM:** There are certain occasions when CHM will reserve the right to pay providers directly for services rendered to members.

F. Reporting discounts after reimbursement

Providers occasionally offer new discounts when a member contacts them to settle balances. If this happens, members are required to return the extra money to CHM. Members should return funds to CHM in one of the following ways:

- 1. Send a check** made payable to "Member Sharing Account" with "overpayment" written in the memo line to: Christian Healthcare Ministries, 127 Hazelwood Ave., Barberton, OH 44203. Please include a note explaining which provider issued the discount and the member to whom it applies.
- 2. Call the CHM office** at 800-791-6225 and ask to be connected with the Member Contribution department. Members may be able to make a payment over the phone via credit or debit card or automatic bank draft.

G. Stewardship and integrity

The following sections are included for the protection of the funds contributed by members for the purpose of sharing medical bills. These guidelines apply when a member is injured due to the negligence of another person, such as motor vehicle accidents, personal injuries on someone else's property, dog bites, or any other situation that could involve liability insurance or result in litigation.

1. DOUBLE RECOVERY PROHIBITED

If an accident or other circumstance results in injury to a member due to someone else's actions, injured members are encouraged to promptly submit their medical bills to CHM. However, medical expenses cannot be reimbursed or paid by both CHM and another payment source.

If a member receives a settlement or payment of medical expenses from insurance or another source after CHM has already shared those expenses, CHM must be reimbursed the amount of the duplicate payment in full. To properly steward the ministry's funds, when the member expects to recover funds from another party, CHM may require, as a condition of sharing, that the member seeking payment confirms their intent to reimburse the ministry upon receipt of a double recovery.

2. REIMBURSEMENT

If a member recovers funds that are due to CHM because of a double recovery discussed in the preceding paragraph, the member is obligated to hold these funds in trust for CHM and transfer them to the ministry within 14 days of receipt. In that event, CHM will be deemed to hold a constructive trust, an equitable lien and other rights to these funds.

Members who expect to recover funds from another source may voluntarily choose to assign their right to those funds to CHM. If that occurs, these rights may be asserted against any other person or organization that has possession of the funds.

This right of reimbursement shall not be reduced through payment of attorney fees or costs incurred by the member or any other party without the written permission of CHM. The member holding the funds belonging to CHM shall be responsible for payment of all expenses, including attorney fees and court costs, incurred by CHM in the enforcement of this right of reimbursement.

3. MEMBER LEGAL OBLIGATIONS

At the reasonable request of CHM, members shall:

- a. Information provision:** Provide any information requested by CHM within five (5) days of the request.
- b. Incident notification:** Notify CHM promptly of how, when, and where an accident or incident resulting in the injury to the member occurred and provide all information regarding the parties involved.
- c. Cooperation:** Cooperate with CHM in the investigation of the accident or incident and protection of CHM's rights.
- d. Settlement notification:** Notify CHM in writing at least 20 days before entering into any compromise or settlement that may affect the rights of CHM.

“We’re forever thankful to CHM and the generous members who have taken such good care of us. We’re able to give our three happy, healthy babies our love and attention without distraction from the worry of giant bills.

CHM has been the biggest blessing in our lives.”

– CARA CHATWIN
Utah

IX. CHM support teams

A. Provider Relations

We're devoted to empowering you to find quality healthcare service. This is why members have flexibility when choosing a healthcare provider and aren't bound by a provider network. It's another reason why CHM has a Provider Relations team that specializes in building relationships with healthcare providers across the country.

We call the providers with whom we've established pre-determined discount agreements our "CHM-friendly providers." You can receive accessible, quality care at competitive prices—simply by mentioning your CHM membership. A list of these CHM-friendly providers can be found on the Member Portal at portal.CHMinistries.org.

B. Eligibility Adjudication

The Eligibility Adjudication Department's mission statement is "To strive for excellence and accuracy with an open mind and heart for our members and the ministry," based on Ruth 3:11 [AMP]. This mindset is reflected in every task the department undertakes.

1. THE ELIGIBILITY REVIEW TEAM

- a. Evaluates special case scenarios and applies the Guidelines accordingly
- b. Assists CHM staff as they process medical bills
- c. Reviews Guidelines for potential revision and clarification

2. THE ELIGIBILITY REVIEW BOARD (ERB)

The Eligibility Review Board (ERB) is made up of selected staff members who meet regularly to review and decide on complex eligibility issues that require special considerations. Voting takes place to maintain a platform of fairness and consistency throughout medical bill sharing. This board is represented by CHM's leadership team, the legal department, and the CHM Medical Director, among other qualified staff members and supervisors.

The consistent, transparent process and broad representation among the ERB participants maintains full consideration of member and ministry interests during Guidelines development and case adjudication.

X. Disclosures

A. Integrity and accountability

CHM has implemented the following measures to make sure the ministry operates with integrity and accountability.

1. BOARD OF DIRECTORS AND INTERNAL CONTROLS

In accordance with good business practices and Ohio law, Christian Healthcare Ministries has an independent Board of Directors that oversees and controls its operations. In addition, the ministry has the following controls in place:

- a. A stringent board member conflict of interest policy requires full disclosure of all conflicts of interest and appropriate recusal from the discussion or vote on such topics.
- b. Management and the board regularly receive and review ministry financial reports. The board also reviews and approves the ministry's annual budget.
- c. An audit is conducted and certified annually by an outside independent public accounting firm with not-for-profit accounting and auditing experience. These audits review all aspects of ministry operations from the receipt and disbursement of money to the systems and procedures that control its core functions.
- d. Christian Healthcare Ministries employs a highly qualified and effective chief financial officer and a general counsel, both of whom are subject to professional ethics and conflict of interest disclosure requirements.
- e. CHM has implemented and abides by the provisions of the Sarbanes-Oxley Act of 2002, which directly concerns corporate fraud prevention. As a nonprofit organization, CHM is not legally required to take this action, but it does so voluntarily as an additional safeguard.
- f. CHM staff members who receive money do not disburse money.
- g. CHM staff members who prepare checks for payment do not sign the checks.
- h. CHM staff members who sign the checks do not reconcile bank statements.
- i. All disbursements—whether from escrow funds or operating funds—are reviewed by CHM leadership and the chief financial officer.

2. CHRISTIAN HEALTHCARE MINISTRIES STANDARDS

e. Program

- 1) The ministry will limit its membership to individuals who profess a faith substantially similar to the ministry's Statements of Beliefs and who live by biblical principles.
- 2) Ministry membership will not be restricted, and members' selected programs will not be adjusted by the ministry, based on a person's age or health status; all eligible medical bills—including pre-existing conditions—will be shared as available funds permit, even if through different sharing methods.
- 3) The ministry will never allow itself to be advertised in any form as part of, or in conjunction with, insurance products. In addition, it will avoid the use of terms typically associated with insurance.
- 4) No member will be dropped from membership because of their health status.
- 5) Members will retain the flexibility to choose their own healthcare providers.

Whether anyone chooses to assist you with your medical bills will be totally voluntary, as no other member will be compelled by law to contribute toward your medical bills. As such, this program should never be considered insurance. Whether you receive any payments for medical expenses and whether or not this program continues to operate, you are always personally responsible for the payment of your own medical bills.
- 13) The ministry will provide its Privacy Policy online for all members and prospective members to review at CHMinistries.org/privacy-policy.
